## GRAND KNIGHTS MESSAGE

Dear Brother Knights,

The “Dog Days” of summer are upon us however the good Lord has blessed us recently with some fantastic weather. I hope that you have taken advantage of this weather and completed some of those outside chores you would have otherwise put off until the fall.

Speaking of taking advantage of something we have Great News for all current 1st degree members. Our council will be hosting a 2nd and 3rd degree on Sunday September 13th. If you have yet to make your 2nd and 3rd degree there is no finer time to do this. I will be assembling a team of brother Knights to call all current 1st degree members to confirm your commitment to this degree work.

Save us the call by calling me and getting your name on the list. I can promise you an experience that you will never forget.

Vivat Jesus  
Rod Harrison

## KC Camporee 2009

The camporee this year was another huge success! It was definitely a “hot” one, with temperatures in the 100’s during the afternoon for much of the week, you needed to be in the water or sitting in an air conditioned camper to get some relief! But even with the extreme heat, everyone had a great time.

Special thanks to all those that helped to make this years event a great time. The fish fry Friday night was delicious! We also want to give a big thank you to Father Charlie for coming up and saying Mass Saturday evening. He suggested a possible “joint camporee” with the Sacred Heart council next year? Sounds like fun!

Results from the games are below and continued on page 2. Congratulations to all our winners! Already looking forward to next year...

## Pro-Life Action Needed

### Abortion Mandate In Health Bill

The healthcare reform legislation currently before Congress contains an abortion mandate that is a grave threat to human life. The bill’s language will result in federally mandated abortion coverage by nearly all health plans, recruitment of abortion doctors into local health networks, and the nullification of many state laws that place reasonable limits on abortion.

The National Right to Life Committee (NRLC) has called this legislation the “largest expansion of abortion since Roe v. Wade.”

We urge you to write to your senators and congressman today! Time is of the essence as congressional leaders want to pass the bill in the Senate and House by the end of July.

A coalition of prominent pro-life leaders have arranged a Stop The Abortion Mandate live webcast for the public this Thursday, July 23rd, 2009, at 9 PM Eastern (8PM Central, 7 PM Mountain, 6 PM Pacific).

Please go to [www.stoptheabortionmandate.com](http://www.stoptheabortionmandate.com) to register.
